#### NOTES

Ryan White Legislation: Title XXVI of the PHS Act as amended by the Ryan White HIV/AIDS Treatment Modernization Act of 2006

The Government Performance and Results Act (GPRA), enacted in 1993, requires Federal agencies to establish standards measuring their performance and effectiveness

The Program Assessment Rating Tool (PART) was developed to assess and improve program performance so that the Federal government can achieve better results

HAB Core Clinical Performance Measures provide an indication of an organization's performance in relation to a specified process or outcome. HAB is releasing the performance measures in phases to allow for staged implementation by service providers. Providers can review the HAB Core Clinical Performance Measures that have been released at <http://hab.hrsa.gov/special/habmeasures.htm>.
